

Conservation Strategy Workgroup
Agenda
May 21, 2007
12:00-3:00pm

Purpose: Review and discussion of short-list Conservation Strategy (CS) Options.

Expected Outcome: Refine and expand descriptions of CS Options for recommendation to Steering Committee as the short list of CS Options to carry forward. Provide direction to SAIC on further refinement of CS Options and approach to analysis of CS Options.

Agenda:

1. Introductions—Chair
2. Meeting purpose—Chair/SAIC
3. Presentation and discussion of small group meeting results —Laura King Moon, Chuck Hanson
4. Discussion of relationship between conservation strategy options/trunks and bundles and CS Options to carry forward—SAIC/Group
5. Recommended CS Options and Guidance to Consultants—Chair/Group
6. Next steps and meetings—Chair
